

**Music Therapy Association of Georgia
Student Organization Mini-Grant Application
School Year 2017-2018**

The Music Therapy Association of Georgia will be sponsoring mini-grants for those student music therapy clubs or organizations within the state of Georgia. As part of this mini-grant opportunity, you are asked to complete the following application with information regarding your use of the available funds.

Funds may be used for purposes including media and print resources for music therapy libraries, instruments, and/or events for the music therapy club or organization.

To complete the form, answer the questions below and include signatures of both a student representative and faculty advisor. Please be prepared to present a brief explanation of your use of the funds at the Southeastern Region Conference of the American Music Therapy Association.
